

OSSAP

Short-Term Observership
Program - 2018

Overview

As one of new presidential initiatives for the year, OSSAP proudly announces the introduction of OSSAP Sort-Term Observership Programs (OSSAP-SOP) in various sub-specialties of orthopaedics. The Observership program enables OSSAP members to watch, scrub and learn procedures and surgeries; attend patient rounds and teaching conferences for 5 days in various high volume centres with experienced mentors in the state. The program is designed with the help of district orthopaedic clubs / associations. The selection of the candidates is by application process. The successful candidates will travel as team to visit and observe various centres.

Who is eligible?

- Applicant must be a Life member of OSSAP.
- No age limit.
- Must be willing to complete the program as designed.
- Must submit a report after completion of the program

What is covered?

- Single or Shared accommodation as provided by the local hosts.
- Local transport, food and hospitality.
- The return travel cost to reach the program centre has to be born by the candidate.

Application Procedure

- Applications should fill up formal application.
- An updated CV should be submitted.
- Should enclose the necessary evidence for the publications, presentations or awards.

Program

North Andhra Orthopaedic Association, NAOA, Vizag.

- Arthroplasty,
- Arthroscopy

Dear OSSAP Members...

It is my great pleasure to initiate the new "SHORT TERM OBSERVERSHIP PROGRAMME -2018". Learning and harnessing the surgical skills is a continuous process at any stage of our practice. We have in our state, many hospitals with state of the art technology, doing excellent surgical work and are interested to participate in the programme to share the knowledge and expertise. I request the interested members to utilise this opportunity and make this programme a great success.

Prof. Y. Nageswara Rao
President OSSAP
